This program is complementary to School District #4's schedule and we've moved it into the schools to make it more convenient for you. Our program provides your child with a safe, structured environment, and our experienced staff focus on providing a variety of quality activities that enrich the lives of children. Enroll your child for the full week or just the days you need, and have peace of mind while at work. Kids will have designated homework time, play sports, group games, go outside, go to the gym and make crafts.

**The initial payment is due at the time of registration. Following payments are due the first day of the month from Sept 1 - April 1. Register for one-five days per week.**

For more information or to register, please call David MacDonald at (630) 656-6209
