## ADDISON PARK DISTRICT

*Leisure for your lifestyle.*

Dear Resident,

The Family Aquatic Center will not re-open in 2018. In February of 2017 the Park Board of Commissioners decided that the summer of 2017 would be the last year the Aquatic Center would be open.

The Family Aquatic Center is 40 years old and is in need of excess of \$500,000 in repairs to meet health and safety codes. Engineering firms instructed us that these would be temporary fixes and a catastrophic incident will occur which will permanently shut down the pool. The pool has reached its useful life. Moving forward, the Addison Park District will schedule and host a series of community-wide meetings. The intent of the meetings will be to receive community input and determine what our residents would support in developing a new Family Aquatic Center. All are encouraged to attend to provide different perspectives and ideas!

The closing of the Family Aquatic Center has been a difficult decision to make. However, as a community, the time has come for us to improve the quality of life for ourselves and our future generations. By working together as one, the goal would be to continue providing quality park and recreation facilities.

The district has made accommodations with neighboring pools for our residents to use. The pools are Bloomingdale Park District, Wood Dale Park District, and Roselle Park District. Please see pages 8-9 for the daily rates as well as summer passes. The Splash Pad at Community will remain open and free of charge for patron usage.

Thank you for your current and future participation to making the park district a part of the Addison Advantage through programs, services, and quality facilities.

Sincerely,

Addison Park District Board of Commissioners

## A WEEK OF ART CAMP

For young budding artists (6 - 9 year olds) who love to draw, they can see their drawings come to life by adding color with colored pencil. For dramatic results, we will work on black paper as well. We will also explore adding watercolor washes to drawings in pen and ink. Young artists ages 10-14 years who love to draw and doodle will enjoy their own class. They will expand on their drawing skills and add some color to make a beautiful picture with ease. Artists who would like to work on pet or people portraits (realistic or cartoon-like) will have instruction provided for work in sepia and crème on tonal paper. Flowers or landscape can also be subjects of choice. Drawing and shading techniques will be covered in each session and short demos will be given as needed. **No class on July 12.**

## PROGRAM REFUNDS: SATISFACTION GUARANTEE REFUND POLICY

The Addison Park District strives to provide patrons with high quality recreation programs and activities.

To encourage participation in programs, the Park District has a refund policy precipitated on guaranteed satisfaction. Should you choose to withdraw from a program, the following options apply:

1. We invite you to repeat the program at no charge
2. Allow for a pro-rated credit to be applied towards another Park District program
3. Issue a pro-rated refund, less a \$5.00 administrative fee, (per person, per program) as a check or credit card refund

Refunds requested as a result of moving, injury/illness or schedule change will be pro-rated according to the date the refund is requested (\$5.00 administrative fee applies). Refunds will be issued within 10 business days, upon receipt of the REFUND-WITHDRAWAL REQUEST. Credits issued back to a credit card may require a full billing cycle to appear.

**Daily Fees:** No refunds will be issued for any daily fees for Open Gym, Club Fitness, Junior High Dances, or Links & Tees.

**Contract Programs:** A contract program is one which the Park District is obligated to pay a fee, whether the participant attends or not. Contracted programs include: Gymnastics, Kids Karate Club and Ballroom Dancing. No refund will be given for any contract program unless a replacement is found. If a replacement is found, a full check refund minus \$5 for administrative costs, or a letter for 100% credit of program fees will be issued.

**Contract Trips:** If the Park District has not incurred any costs of a trip, the participant will receive a full check refund minus \$5 for administrative costs. If a replacement is found, the participant will be granted a full check refund minus \$5 or a 100% letter of credit.

**Organized Leagues:** No refunds will be granted to teams in organized leagues such as adult softball, basketball, etc.

**Cancelled Programs:** The Park District reserves the right to cancel or postpone any program due to insufficient enrollment. If a program is cancelled, a full refund will be granted. Prorating Fees: The Park District does not prorate any fees. Once a program begins, enrollment remains open at the advertised rate as space allows and with instructor permission
