4. APPROVAL OF MINUTES

Mike Sampey approved the minutes from April 11, 2013, second by Bill Menelli

5. NOEL ROLLE – DIRECTOR OF PARKS & PLANNING
ERIN CHAPA – AQUATIC CENTERS & FITNESS SUPERVIOR

Noel started and told how the pool buckled in April due to the flooding. Chester pool removed the drain box and is looking into the reason this happened. At this point the pool is under construction. Insurance is paying to repair the pool itself but not any of the piping under the deck. As it stands now we are looking at \$5,500 would be the districts cost to fix the problem and that may go up.

May 20th Chester first started work. They exposed the pipe (we have all aluminum pipes). The new aluminum arrived June 4th and they have started to weld the new liner.

Time frame now stands to be completed on June 14 that is with no problems but they already found a problem with a pipe leaking under the deck. Chester Pool is reviewing the original drawings to see where that pipe lays.

Mike caught us up on the history of the pool

Mike asked why is the underground flooding a problem this year? Noel said it has to do with the VGB and the valve that was installed last year.

Mike thinks the whole pool should just be redone at this point and not open this summer but be completely fixed up for next summer. He also wants to know if it would be possible to knock a wall out and go zero depth. (There was a discussion on where the line is drawn on how much the board will approve to be fixed this year.)

Berry motioned that Club Fitness members are upset with all the Elk Grove members that are using the space and there are no parking lot spaces.

Erin went over scheduling for Swim Team – Friars in the mornings (parents paying) 7-10am Club Fitness 8-10pm Dive team at Elmhurst for free 7-9am. Lessons are maxed out and have a waiting list, now held from 7:15-7:55pm only at Club Fitness. Adult lessons and parent-tot classes are on Sunday. Berry wants more open swim time for members. Sam wants to know why Friday aqua aerobics was cancelled, Erin explained if the numbers go up she will add the class again.

There was a question why can the Frogs take Hickory Willows Rental time from 7-9am if our outdoor pool doesn't open.

There was a discussion on why Addison Trail didn't put a pool in.
