Addison Park District
RESTORE ILLINOIS
Entering Phase 3

We continue to follow the guidelines in the State of Illinois Restore Illinois Plan, and the Park District team is developing plans for the return of programming and reopening of facilities as detailed in Phase 3-Recovery, which is set to begin Friday, May 29. Today, the Addison Park District is happy to share some of the programs and services allowed during this phase.

Highlights

Addison All Star Summer (camp) is scheduled to start June 15 – August 28.

The Addison All Star Summer program is designed for children preschool to 8th grade. The program will operate in small groups which will enable participants to receive individual attention in a fun, safe environment.

Safety as always is a top priority. This year, we will have new social-distancing guidelines, smaller group sizes, healthy child standards, limited cross-over between camp groups, face covering when necessary and more intense cleaning and sanitizing protocols in place. More details will be available closer to the start of the Addison All Star Summer. The State mandated Restore Illinois guidelines will determine our rollout date and further details about the new program.

Team Practices for the Youth Sports Associations in Addison who play on the Addison Park District fields begins June 1, 2020. Those include: Rec Club for baseball, AGSP for softball, Addison United for soccer. The fields will also be available for practice by the Addison Brave Semi-Pro Baseball Team.
