Welcome Back!

Addison Park District continues to follow the Restore Illinois Plan to reopen many of our amenities. We are excited to provide residents with more in-person programming opportunities under the Phase 4 Revitalization guidelines. Many of our community outdoor recreational opportunities have reopened over the summer including playgrounds, basketball courts, golf courses and driving range, garden plots, splash pad and more. We encourage our residents to continue to follow social distancing measures and safety protocols while visiting the parks and facilities.

Because the current situation continues to change, we will release two digital guides this fall. Both guides will be available online only. The second guide will begin November & December. Please look for the activity guide on the Addison Park District website and on the Addison Park District Facebook page. If you have signed up for our email alerts, a digital copy will be in your inbox soon.

We encourage residents to subscribe to our e-newsletter and check our website and Facebook periodically to stay informed on the status of future activities, special events, programs, and facility news.

Hurry, there is still time to Take the Pulse. The online community survey will remain active for your participation until August 31.

She has choreographed for theatre productions, performed in the Florida Citrus Bowl and Capitol One Bowl halftime shows, and performed with the Joffrey Ballet of Chicago. Locally, Jaime has grown up with the Addison Dance Program. She has been an Addison Park Dancer and Addison Trail Orchesis member. She is very proud of the Addison Dance Program as it leads dancers through the artistry of dance. Jaime is also proud of the Addison Park Dancers as they push into new levels of achievement. This past year they competed for the first time and came home with second place in their division. Their success with making the auditions to be a part of the Buffalo Wild Wings halftime show this year is applauding. What’s Jaime’s favorite part of teaching? “I love recital time but the neatest part for me is watching a dancer work really hard on a move and then jump for joy when they finally achieve it!”

Miss Natalie
Dance Instructor
Miss Natalie has been dancing in all styles of dance starting at age 3. She had danced through the Addison Park District dance program and was an Addison Park Dancer as well as an Addison Trail Orchesis member. Miss Natalie taught and choreographed for 9 years before taking a short hiatus to be home with her kids. During that time, she took classes in ballet and hip hop while also subbing and observing classes to stay current. She has served as a judge for many dance teams auditions. She has attended various dance conferences throughout her years as a dancer/instructor. She is always looking for opportunities to be involved in the dance community and look forward to bringing her enthusiasm back to the APD program.

Miss Katie
Dance Instructor
Miss Katie has been dancing for 14 years. She has danced with the Addison Park District for 11 years, was an Addison Park Dancer, and assistance taught as well. CHARACTER COUNTS
Character Counts is a nationally recognized program that structures character education around six pillars of character: trustworthiness, respect, responsibility, fairness, caring and citizenship. This program promotes a united effort on the part of all agencies to provide children with the same message. Character Counts is a program that helps children and adults focus on building and becoming good citizens. Addison Park District incorporates these six pillars into all of our programs. Instructors learn the program and, in turn, incorporate the pillars into their instruction.

CODE OF CONDUCT
No eligible participant shall be limited in the exercise of any right, privilege, advantage or opportunity on the basis of race, sex, creed, national origin, activities, service or benefits. BEHAVIOR: Participants are expected to exhibit positive behavior at all times. The following guidelines have been developed to help make Park District programs safe and enjoyable for all participants. Additional rules may be developed for particular programs and athletic leagues as deemed necessary by staff. Participants shall:
- Show respect to all participants and staff.
- Take directions from staff.
- Refrain from using abusive or foul language.
- Refrain from causing bodily harm to self, other participants or staff.

DISCIPLINE
A positive approach will be used regarding discipline. Staff will periodically review rules with participants during the program session. If inappropriate behavior occurs, a prompt resolution will be sought specific to each situation. The Park District reserves the right to dismiss a participant whose behavior endangers the safety of himself/herself or others.

PROCEDURE
Upon registration or entry into the program, the parent/guardian should be solicited for any information regarding special accommodations needed. For example, if the registration form asks to describe accommodations needed for the participant’s enjoyment of a particular program and the parent’s response indicates “a positive role model for behavior” or another response of that nature, the parent should be contacted for information about any behavior modification programs in place at school or home. Attempts should be made to utilize these in the program.

NO SMOKING POLICY
Smoking and the use of tobacco products is prohibited on all park property, at all park facilities, and at all park district events by any person, patron, visitor or employee, regardless of age.

Our Park District staff periodically takes pictures and/or video of participants in our classes, during special events, and in the parks. These are used in a variety of marketing materials.
