ADDISON PARK DISTRICT
Leisure for your lifestyle.
To the Addison Community

Welcome to Addison Park District’s Winter 2021 Activity Guide. As we enter the new year, we would like to thank the Addison community for coming together in support of one another to get us through such unprecedented times. While the COVID-19 pandemic has affected us in many ways, we take pride in offering the community beneficial, safe, and fun recreation and leisure opportunities.

As we prepare for the new year, we hope you and your family continue to stay safe and healthy. Due to the Tier 3 resurgence mitigations, The Addison Park District Board of Commissioners and staff are following the advisory set by Governor J.B. Pritzker. The health and safety of our patrons is a top priority. We are adhering to the IDPH and CDC recommendations for preparedness and taking additional steps as needed such as small group ratio and sizes, as well as limiting activities that require close physical contact.

A new year calls for new beginnings and we are looking forward to seeing more of you in 2021 as we continue to focus on the safety and wellbeing of the community. We are grateful for the opportunity to provide you and your family with fun and safe activities each and every year.

The Kid’s Karate Club is a high energy, progressive, motivational martial arts program developed specifically for kids to have fun while learning. Students will learn stances, strikes, blocks, kicks and sparring techniques all while building confidence. Margaret Bucholz holds a Bachelor of Fine Arts in drawing and Painting from University of Hawaii. Her passion for art was nurtured by taking many workshops at the Clearing, Ghost Ranch, and Dillman’s from many well-known artists. She has taken classes in colored pencil at Beech Tree Studios. Margaret has won numerous awards for her artwork and many of her watercolor, acrylics and colored pencil drawings hang in private collections. She has given demos to art leagues and has taught art classes both private and group in watercolor, acrylics, and colored pencil drawing. She graduated from Northern Illinois University with a Comprehensive Bachelor of Fine Arts Degree. She has received over 200 awards for her art since 1970 as well as awards for her work advancing the arts in Addison and DuPage County. Her goal is to educate both children and adults to use their imagination and perception in interpreting their art as well as that of others. TUTU TOTE
Dance shoes can be expensive, especially with growing feet! Please consider donating your “TuTu Tight” dance shoes to the “TuTu Tight Tote”. This is a container that will remain in the dance room. When your dance shoes get TuTu tight, generously place them in the tote and hopefully there’s a pair inside that fit your dancer. There is no exchange of money. Simply donate “tight” and hopefully get “just right”. Let’s help each other out! Feel free to donate or look for shoes during your dance class.

GENERAL POLICIES

AMERICAN DISABILITIES ACT
Addison Park District will comply with the American Disabilities Act (ADA). The Park District does not discriminate against eligible residents for participation on the basis of a disabling condition. We invite any resident with a special need to contact our staff upon registration so that a smooth inclusion may occur. Our District provides specialized services for people with disabilities through the Northeast DuPage Special Recreation Association (NEDSRA). For more information about NEDSRA, please visit them online at nedsra.org.

ACTIVE DUTY MILITARY FEE ASSISTANCE PROGRAM
The Addison Park District respects and admires the sacrifice of the military personnel and their families, and is able to provide fee assistance as needed by military personnel or their dependents. A fee assistance program is available to active duty military personnel and their dependents who are residents of the Addison Park District. It is the intent of the Addison Park District to provide programs, services, and facilities at little or no cost for this purpose to active military personnel and their dependents. Active Duty Military Fee Assistance applications are available at the Community Rec Center.

CHARACTER COUNTS
Character Counts is a nationally recognized program that structures character education around six pillars of character: trustworthiness, respect, responsibility, fairness, caring and citizenship. This program promotes a united effort on the part of all agencies to provide children with the same message. Character Counts is a program that helps children and adults focus on building and becoming good citizens. Addison Park District incorporates these six pillars into all of our programs. Instructors learn the program and, in turn, incorporate the pillars into their instruction.

CODE OF CONDUCT
No eligible participant shall be limited in the exercise of any right, privilege, advantage or opportunity on the basis of race, sex, creed, national origin, activities, service or benefits. BEHAVIOR: Participants are expected to exhibit positive behavior at all times. The following guidelines have been developed to help make Park District programs safe and enjoyable for all participants. Additional rules may be developed for particular programs and athletic leagues as deemed necessary by staff. Participants shall:

- Show respect to all participants and staff.
- Take directions from staff.
- Refrain from using abusive or foul language.
- Refrain from causing bodily harm to self, other participants or staff.
- Show respect to equipment, supplies and facilities.

DISCIPLINE
A positive approach will be used regarding discipline. Staff will periodically review rules with participants during the program session. If inappropriate behavior occurs, a prompt resolution will be sought specific to each situation. The Park District reserves the right to dismiss a participant whose behavior endangers the safety of himself/herself or others.

PROCEDURE
Upon registration or entry into the program, the parent/guardian should be solicited for any information regarding special accommodations needed. For example, if the registration form asks to describe accommodations needed for the participant’s enjoyment of a particular program and the parent’s response indicates “a positive role model for behavior” or another response of that nature, the parent should be contacted for information about any behavior modification programs in place at school or home. Attempts should be made to utilize these in the program.

NO SMOKING POLICY
Smoking and the use of tobacco products is prohibited on all park property, at all park facilities, and at all park district events by any person, patron, visitor or employee, regardless of age.

PHOTO AND VIDEO POLICY
Our Park District staff periodically takes pictures and/or video of participants in our classes, during special events, and in the parks. These are used in a variety of marketing materials for publication as Addison Park District deems necessary.

The Addison Park District, in cooperation with the Addison Parks & Recreation Foundation, offers a financial assistance program for people in need. Scholarship applications are available at the Community Rec Center. The District offers limited financial assistance in the form of reduced fees. Due to the District’s limited funding, scholarship offerings will be limited.
