Addison Park District | Sponsorship Program

Why the Addison Park District?

Every day the Addison Park District provides memorable experiences in parks and recreation that enrich the lives of our community. Daily, weekly, and monthly visitors take part in programs, events, and activities with the Addison Park District at extraordinary facilities like Community Park, the Club Fitness Aquatic Center, Centennial Recreation Center, and Putter’s Peak. The Park District also manages 284 acres of park land providing programs, activities, and events throughout the year, reaching every corner of our community.

Research also shows that 98% of guests share their experiences directly with friends and neighbors, and indirectly with their social media contacts and followers. These numbers demonstrate that being the right kind of sponsor means much more to your target audience than just being an advertiser. Park District guests tend to support the businesses and organizations associated with programs that benefit the community as a whole. If your business or organization is interested in building a long-lasting relationship with clients, we encourage you to look at the many sponsorship opportunities available at the Addison Park District.

A snapshot of our advantages:

- 14,000 Activity Guides are printed each season, 4 times a year.
- 11,500 are mailed to households in Addison with a general shelf life of 3-4 months.
- The Activity Guide is available for download from the AddisonParks.org website expanding your visibility into greater markets.
- Addison Park District has 4,886 social media followers and 4,000 active email blast addresses.

Dance shoes can be expensive, especially with growing feet! Please consider donating your “TuTu Tight” dance shoes to the “TuTu Tight Tote”.
This is a container that will remain in the dance room. When your dance shoes get TuTu tight, generously place them in the tote and hopefully there’s a pair inside that fit your dancer.
There is no exchange of money. Simply donate “tight” and hopefully get “just right”.
Let’s help each other out! Feel free to donate or look for shoes during your dance class.

Kids Karate Club

The Kid’s Karate Club is a high energy, progressive, motivational martial arts program developed specifically for kids to have fun while learning. Students will learn stances, strikes, blocks, kicks and sparring techniques all while building confidence.

They will learn about strangers and how to combine the techniques they learn to protect themselves. This is a year-round progressive martial arts program with belt progression through Black Belt.

This program comes with the “Never Miss a Class Guarantee.” If a student misses a class (i.e., schedule conflict, sick, etc.) or the center closes for any reason, the missed classes will be available with pre-recorded, instructor led classes by belt level. Belt testing will be on July 13, 2022.

Kid’s Karate Club uniforms are required and are available at www.KidsKarate.com or from the instructor at class (needed by the second week of class). Parents may participate with their children at no cost other than purchasing a parent helper karate club uniform.

Learn all the fundamentals of tennis this summer with the certified tennis instructors of Centre Court Athletic Club! 10ANDUnder Tennis takes a new approach to introducing kids to the game of tennis by utilizing kid-sized courts and kid-sized equipment. The tennis balls are lower in compression, allowing the ball to bounce lower and move slower, making it easier to hit and develop optimal swing patterns. The benefits are immediate. Kids will be rallying, making new friends, and psyched for more!

American Disabilities Act
Addison Park District will comply with the American Disabilities Act (ADA). The Park District does not discriminate against eligible residents for participation on the basis of a disabling condition. We invite any resident with a special need to contact our staff upon registration so that a smooth inclusion may occur. Our District provides specialized services for people with disabilities through the Northeast DuPage Special Recreation Association, (NEDSRA). For more information about NEDSRA please visit them online at nedsra.org.

Active Duty Military Fee Assistance Program
The Addison Park District respects and admires the sacrifice of the military personnel and their families, and is able to provide fee assistance as needed by military personnel or their dependents. A fee assistance program is available to active duty military personnel and their dependents who are residents of the Addison Park District. It is the intent of the Addison Park District to provide programs, services, and facilities at little or no cost for this purpose to active military personnel and their dependents. Active Duty Military Fee Assistance applications are available at the Community Rec Center.

Character Counts
Character Counts is a nationally recognized program that structures character education around six pillars of character: trustworthiness, respect, responsibility, fairness, caring, and citizenship. This program promotes a united effort on the part of all agencies to provide children with the same message. Character Counts is a program that helps children and adults focus on building, and becoming, good citizens. Addison Park District incorporates these six pillars into all of our programs. Instructors learn the program and, in turn, incorporate the pillars into their instruction.

Code Of Conduct
No eligible participant shall be limited in the exercise of any right, privilege, advantage or opportunity on the basis of race, sex, creed, national origin, activities, service or benefits. BEHAVIOR: Participants are expected to exhibit positive behavior at all times. The following guidelines have been developed to help make Park District programs safe and enjoyable for all participants. Additional rules may be developed for particular programs and athletic leagues as deemed necessary by staff.

Participants shall:
- Show respect to all participants and staff.
- Take directions from staff.
- Refrain from using abusive or foul language.
- Refrain from causing bodily harm to self or other participants or staff.
- Show respect to equipment supplies and facilities.

Discipline
A positive approach will be used regarding discipline. Staff will periodically review rules with participants during the program session. If inappropriate behavior occurs, a prompt resolution will be sought specific to each situation. The Park District reserves the right to dismiss a participant whose behavior endangers the safety of himself/herself or others.

Procedure
Upon registration or entry into the program, the parent/guardian should be solicited for any information regarding special accommodations needed. For example, if the registration form asks to describe accommodations needed for the participant’s enjoyment of a particular program and the parent’s response indicates a positive role model for behavior or another response of that nature, the parent should be contacted for information about any behavior modification programs in place at school or home. Attempts should be made to utilize these in the program.

No Smoking Policy
Smoking and the use of tobacco products is prohibited on all park property, at all park facilities, and at all park district events by any person, patron, visitor or employee, regardless of age.

Photo And Video Policy
Our Park District staff periodically takes pictures and/or video of participants in our classes, during special events, and in the parks. These are used in a variety of marketing materials for publication as Addison Park District deems necessary.

Scholarship Program
The Addison Park District believes that every resident should have an opportunity to participate in recreational programs regardless of financial hardship. The Addison Park District, in cooperation with the Addison Parks & Recreation Foundation, offers a financial assistance program for people in need. Scholarship applications are available at the Community Rec Center. The District offers limited financial assistance in the form of reduced fees.

Vandalism And Safety Hot Line
Residents can report vandalism and park maintenance concerns by calling the Park and Planning Department at (630) 233-7275, ext. 5266 or the Administrative Office at (630) 233-7275.

SUMMER SAFETY

Smoke and Carbon Monoxide Detectors
Don’t forget to test your smoke and carbon monoxide detectors once a month and replace the batteries twice a year. If you hear the alarm “chirp,” change the batteries immediately.

Insect Safety
Most mosquitoes begin to hatch when temperatures increase over 50 degrees near late April. Protect yourself with insect repellent. Children should not use repellent with DEET if they are under 2 months, and some essential oils should not used on young children. Read the repellent safety guidelines before use.

Tornado Safety
Most tornadoes in Illinois appear beginning in April. FEMA suggests that “if there is a tornado warning, immediately go to a safe location such as a safe room, basement, storm cellar or a small interior room on the lowest level of a sturdy building. Stay away from windows, doors, and outside walls. For more information, visit, https://www.fema.gov/blog/staying-safe-tornadoes
