### Addison Park District Announces New Executive Director

The Addison Park District is pleased to announce that Rob Bond will be joining the staff as Executive Director on April 10, 2025.

Bond is a graduate of Northern Illinois University with BS degree in Mathematics. He joins Addison Park District from the Oak Brook Park District, where he served as Superintendent of Aquatics and Maintenance Operations. He is a Certified Park and Recreation Executive and an Aquatic Facility Operator through the National Recreation and Park Association (NRPA). He holds professional memberships with NRPA and the Illinois Park and Recreation Association.

"Through a lengthy and detailed search process assisted by the Illinois Association of Park Districts, Rob clearly demonstrated the abilities, talents and drive to lead the Addison Park District and serve our residents, visitors, partners, and staff," said Park Board of Commissioners President Michael Capizzano. "We are thrilled to have Rob in our system to lead the Addison Park District."

"I am very excited to get started with the Addison Park District," said incoming Executive Director Bond. "I look forward to connecting with the community, the Park District team, and all of the agency partners to ensure we are enhancing the vision and plan to best meet the wants and needs of all whom we are able to serve."

The Addison Park District serves approximately 35,000 residents, maintaining 25 parks with 284 acres of green space in addition to two community recreation centers, Club Fitness and Links & Tees Golf Facility. Recreational programs include preschool, camps, before and after school care, pickleball, youth athletic programming and special events.
