Free Lunch Program

In 2023 and 2024, free lunch and snacks were provided to all campers by the Northern Illinois Food Bank. We have applied to continue these services for our 2025 Summer Camp program and are waiting for confirmation of NIFB's continued support.

Child Care Assistance Program for Summer Campers

The Addison Park District accepts the Illinois Department of Human Services' Child Care Assistance Program (CCAP) funding, which is administered by the YWCA of Metropolitan Chicago located in Addison. CCAP helps income-eligible parents pay for child care while they work or go to school.

The best way to screen for eligibility is by using the Illinois Department of Human Services Child Care Eligibility Calculator at: <https://www.dhs.state.il.us/applications/ChildCareEligCalc/eligcalc.html>

If the tool suggests your family qualifies for CCAP, you will need to complete a CCAP application by filling out the (paper) application. Stop by our office to pick up the 17-page application, fill it out, turn it back in to us, along with the required documents, and we will submit the paperwork to the YWCA on your family's behalf. After submission, it takes approximately 2 weeks to be notified of approval or denial of benefits and the amount of the co-pay if applicable.
